Numbers limited: Non-members welcome but priority to INCOSE members

Tuesday 19th July - 3pm to 4.30pm

Airbus factory, Filton, Bristol. Cost £10.

Details can be found on www.concordeatfilton.org.uk

Booking: Either by email to bob.dale@mbda.co.uk by **28th June** (e-mail booking constitutes an agreement to pay – either in cash at the event or to the large guy with the baseball bat who visits you at work) or in person, with cash, at the Bristol Local Group meeting **on 29th June**.
(As Concorde is on the secure Airbus site: **No booking = no admission**)

Joining/parking instructions will be sent as confirmation of booking.

We reserve to cancel the event and refund all payments made if minimum numbers are not reached by 30th June. You will be notified of such cancellation by 8th July.

The International Council on Systems Engineering (INCOSE) is an international professional society for systems engineers whose mission is to foster the definition, understanding, and practice of world class systems engineering in industry, academia, and government. INCOSE was formed in 1992 to develop, nurture, and enhance the interdisciplinary approach and means to enable the realization of successful systems. Since then, INCOSE has grown dramatically. Today there are over 5,000 member systems engineers, 50 chartered chapters worldwide, and more than 40 Corporate Advisory Board members from government, industry, and academia.
